

State College Sunrise Rotary Club

District 7360 : Club # 73458

About the State College Sunrise Rotary Club

What we do... The State College Sunrise Rotary Club is committed to making a difference in our community and our world. From helping community non-profits, hosting foreign exchange students to being part of a global community of 34,000 Rotarian clubs working to end Polio, the Sunrise club is living up to the Rotarian motto "Service Above Self" by raising funds and offering support to many local and global organizations.

Who we help... In our community, we supply financial support to many of the local non-profit organizations. In our world, we join with all Rotarians to fund the effort to eradicate Polio, supply clean drinking water, and make the world a better place.

What we follow... The Four-Way Test is a nonpartisan and nonsectarian ethical guide for Rotarians to use for their personal and professional relationships. The test has been translated into more than 100 languages, and Rotarians recite it at club meetings:

Of the things we think, say or do....

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

What we enjoy... a hearty breakfast along with stimulating and informative presentations at our weekly meetings; participating in fundraising projects that give back to our community; fellowship with other Rotarians locally and worldwide.

We invite you to come and be a part of something bigger than yourself. Make new friends, learn more about the local community and its needs and have a great time helping others.

Our club meets each Wednesday from 7:15-8:00 AM for fellowship, breakfast and an interesting presentation from a guest speaker. Meetings are held in the Beaver Room, upstairs at the Hotel State College, 100 West College Avenue, State College, PA.

Visit our web site or Facebook page to see what we have been up to.
