

About the State College Sunrise Rotary Club

Our club meets most Wednesdays from 7:15-8:00 AM for fellowship, breakfast and an informative and interesting presentation from a guest speaker. Meetings are held at The Scholar, 205 East Beaver Avenue, State College, PA

What We Do

The State College Sunrise Rotary Club is committed to making a difference in our community and our world. From helping community non-profits, hosting foreign exchange students to being part of a global community of 34,000 Rotarian clubs working to end Polio, the Sunrise club is living up to the Rotarian motto "Service Above Self" by raising funds and offering support to many local and global organizations. Our projects include:

- [Hearts For State College](#) – banners of love over downtown each February
- [Pollinators Project](#) – project to help promote pollinators in the region
- [Santa's Mailbox](#) – replying to letters as Santa's helpers each December
- [Four-Way Test Award](#) – honoring local volunteers for their outstanding efforts to support the local community and follow the four-way test

Who We Help

In our community, we supply financial support to many of the local nonprofit organizations. In our world, we join with all Rotarians to fund the effort to eradicate Polio, supply clean drinking water, and make the world a better place.

What We Follow

The Four-Way Test is a nonpartisan and nonsectarian ethical guide for Rotarians to use for their personal and professional relationships. The test has been translated into more than 100 languages, and Rotarians recite it at club meetings:

Of the things we think, say or do....

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?
(Our club also asks "Will it be **FUN**?")
